HISTORY

Bin Jabr Group began in the early '70s with a single company sponsorship agreement with Thomson-CSF, later renamed Thales. Since then, Bin Jabr has grown exponentially, and today represents an impressive array of successful companies. Al Barq Kitchen Factory is proud to be part of the Bin Jabr Group of companies.

BIN JABR GROUP LTD.

The Group's portfolio of activities includes both private and governmental entities in the areas of defense, healthcare, retail, construction, energy and manufacturing. With the Group's success in attracting top companies, Bin Jabr has earned a reputation for excellence and integrity and has become one of the largest and most influential privately-owned groups in the Middle East.

AL BARQ KITCHENS FACTORY

Established in 1989. Successful presence on the Middle East & Asian market for over 30 years. UAE's biggest manufacturing plant with most modern machineries. More than 60 employees. Wide-ranging net of competent distribution of employees. We collaborate with the best consultants from the hospitality industry. We also collaborate with chefs, manufacturers, hotel operators and food service specialists, among others.

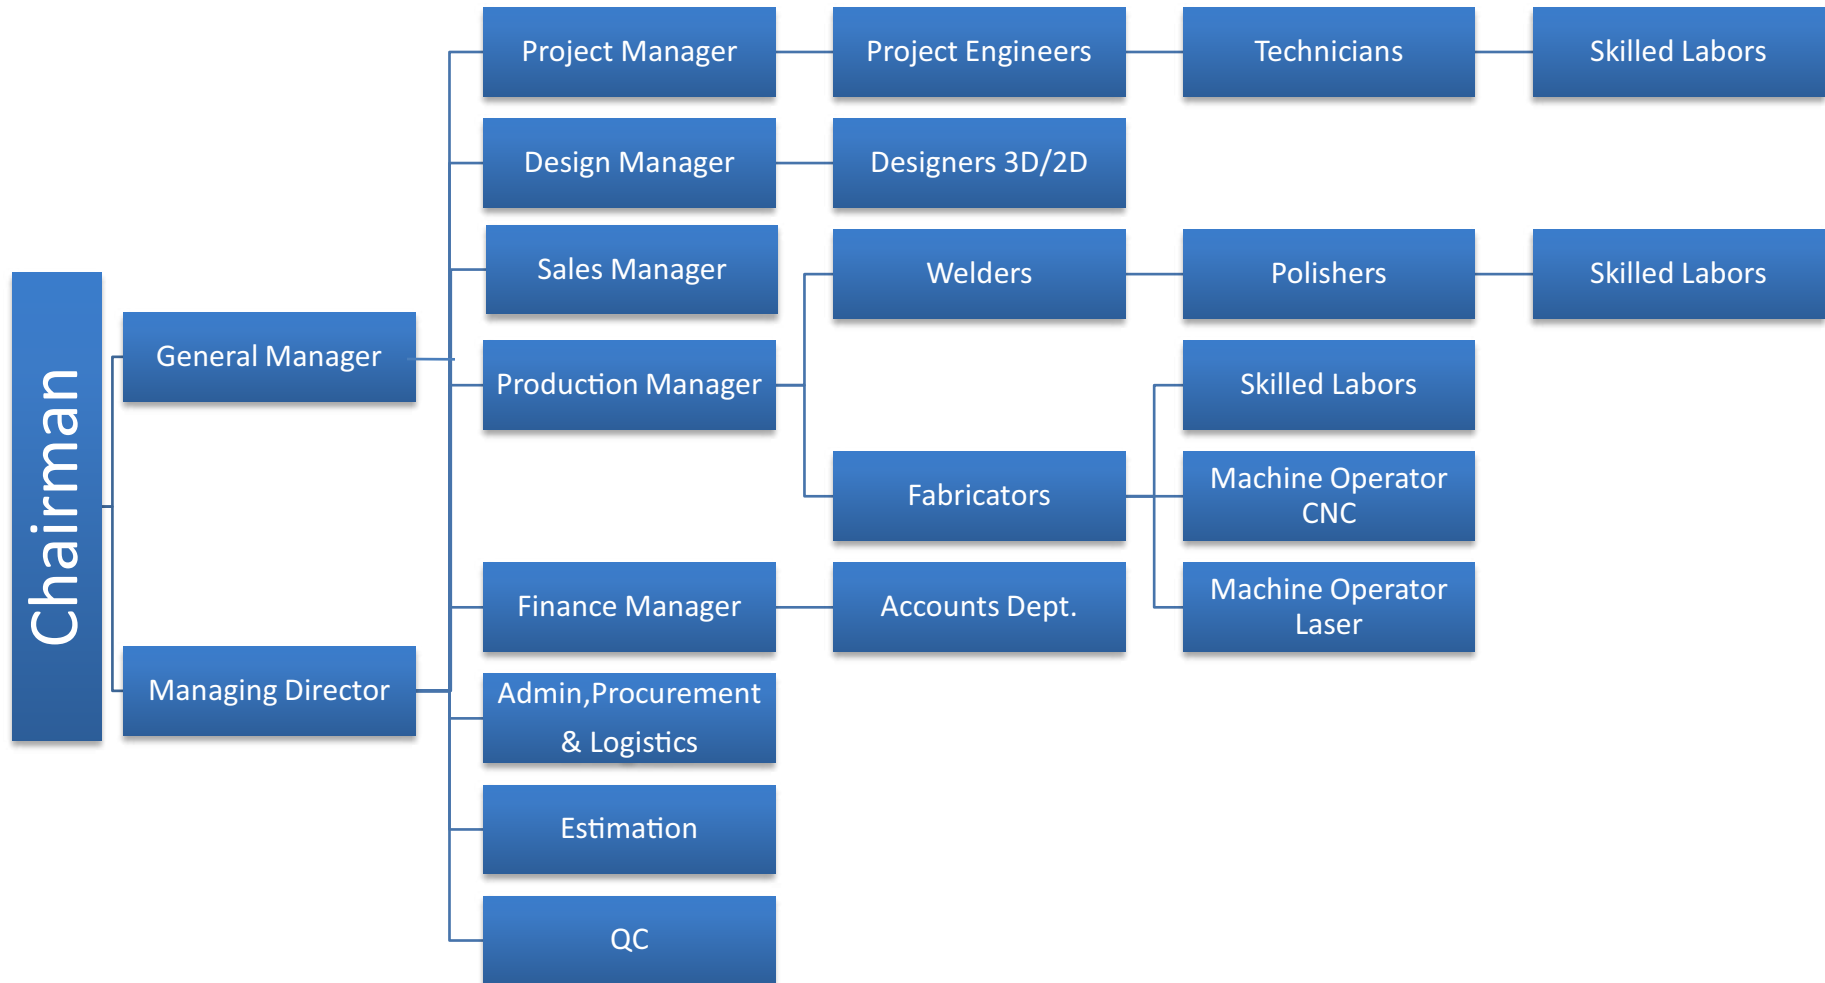

At Al Barq Kitchen Factory, we are focused on and committed to the successful delivery of any project we undertake.

Al Barq Kitchen Factory has over 30 years of expertise and has obtained international industrial certification (ISO 9001:2008). We are proud of all the projects we have delivered and look forward to delivering future quality projects in partnership with our clients.

Company Philosophy - Orientation to the customers requests guarantees the economical success
